About the project

International Voluntary Service (IVS) offers youth the opportunity to meet, work and live together. To create, to explore and to be challenged. To discover similarities, contrasts and to be surprised. IVS is all about dealing with the unexpected - and actively pursuing it for the exciting opportunities it holds. Anyone that is active in IVS faces a diversity of challenges that they have to respond to. 'Challenge Accepted' therefore aims to increase creative problem solving skills in IVS.

This certificate has been issued by SIW International Volunteer Projects.
